1. INTRODUCTION

Privacy Policy

EFFECTIVE DATE: February 21, 2026

Prepared for: **Synapsio**

1. INTRODUCTION

This Privacy Policy describes how Synapsio ("we", "us", or "our") collects, uses, and shares information about you when you use https://synapsio.com (the "Website").

By using our Website, you agree to the collection and use of information in accordance with this policy. We respect your privacy and are committed to protecting your personal data.

2. INFORMATION WE COLLECT

We collect the following types of information:

- Personal Information: Name, email address, and other contact details you provide when you contact us.
- Usage Data: IP address, browser type, device information, pages visited, time spent on pages, and other diagnostic data collected automatically.

Categories of Personal Data:

Category	Data Types
Device Information	IP address, browser, OS, device type
Location Data	GPS, IP-based location, timezone

3. HOW WE USE YOUR INFORMATION

We use the information we collect for the following purposes:

- To provide and maintain our Website
- To notify you about changes to our Website or services
- To provide customer support
- To detect, prevent, and address technical issues
- To communicate with you, including responding to your inquiries
- To analyze usage patterns and improve our Website

4. INFORMATION SHARING

We do not sell, trade, or rent your personal information to third parties.

We may share your information only in the following limited circumstances:

- To comply with legal obligations
- To protect and defend our rights and property
- With your explicit consent

We do not sell or share personal information for cross-context behavioral advertising.

5. DATA SECURITY

We implement appropriate technical and organizational security measures to protect your personal information, including:

- Encryption of data in transit using SSL/TLS
- Secure storage of personal data
- Regular security assessments
- Access controls and authentication measures

However, no method of transmission over the Internet or electronic storage is 100% secure. While we strive to protect your personal information, we cannot guarantee its absolute security.

6. DATA RETENTION POLICY

We retain different categories of personal information for varying periods based on the purpose of collection, legal requirements, and legitimate business needs:

Retention Schedule:

Data Category	Retention Period	Justification
Account Information	Duration of account + 2 years	Service provision and legal claims
Transaction Records	7 years (legal requirement)	Tax and accounting requirements
Analytics Data	26 months	Service improvement
Marketing Data	Until consent withdrawn	Consent-based processing
Support Records	3 years after resolution	Quality assurance and dispute resolution

General Retention Policy: 2 years

- **Data Deletion:**
- When personal information is no longer required for the purposes for which it was collected, we will:
- Securely delete the information from our active systems
- Remove it from backups within 90 days

- Or anonymize the data so it can no longer identify you
- **Exceptions:**
- We may retain certain information longer if required to:
- Comply with legal obligations
- Resolve disputes
- Enforce our agreements
- Protect against fraud or abuse

7. DATA BREACH NOTIFICATION

In the event of a personal data breach that is likely to result in a risk to your rights and freedoms, we will:

- Notify affected individuals within 72 hours of becoming aware of the breach
- Notify relevant supervisory authorities as required by applicable law (within 72 hours for GDPR)
- Provide details about the nature of the breach, categories of data affected, and approximate number of individuals affected
- Describe the likely consequences of the breach
- Explain the measures taken or proposed to address the breach and mitigate potential adverse effects

We maintain incident response procedures to ensure timely detection, investigation, and response to potential data breaches.

8. DO NOT TRACK DISCLOSURE

Do Not Track ("DNT") is a privacy preference you can set in your browser. When you turn on DNT, your browser sends a signal to websites requesting that they do not track your browsing activity.

Currently, we do not respond to DNT signals. This is because there is no industry-standard interpretation of how to respond to DNT signals. We will update this policy if a standard is established.

Regardless of DNT settings, you can opt out of analytics tracking using the methods described in the Cookies section above.

9. YOUR RIGHTS (GDPR)
